This was not a formal Canonical Visitation but a private visit to his two priests in this area (myself and Father Martin) and also an informal visit to Bishop Alan to discuss the way forward for these two parishes, particularly following my own stroke in October which has turned out to be more severe than we first believed. They will both now consult their respective councils but since new appointments are normally taken up in the autumn it is likely there will be two or three stand-in arrangements set up to cover the summer with something more permanent established later in the year. <b>CF-L</b></p> <p><b>Prayers for the sick and housebound</b> Maria Bellisario, Bridget Brown, Wendy Brown, Mary Fitzpatrick, Rita Needs, Ann Smith, Neva Valori, Katy Wakely</p>
